

18mm DynaGrip® Snap-Off Cartridge Knife

Description

STANLEY® Snap-off Knives have high quality carbon steel blades that snap off in sections, providing a fresh and sharp cutting point to the user without the need to open up the knife. The snap-off blade offers constant sharp edges, but is also strong and thick enough to apply heavy pressure without the blade breaking. We bring innovation to snap-off knives by providing unique features that users have never experienced before.

- Blade cartridge automatically slides new blade into position after old blade is removed
- Stainless steel blade dispenser cartridge resists rust
- Ergonomically designed for comfort and cutting power
- Smooth, slider mechanism features audible click stop and is self-locking
- Strong, durable tri-material construction with soft-grip panels
- Hang hole for storage or lanyard
- Blade capacity of six heavy-duty or five extra heavy-duty blades
- Comes with six 11-301 heavy-duty blades (equals 32 points)
- Wheel locking clamps the blade during cutting for greater safety and performance
