

18mm SnapOff Knife

Description

STANLEY® Snap-off Knives have high quality carbon steel blades that snap off in sections, providing a fresh and sharp cutting point to the user without the need to open up the knife. The snap-off blade offers constant sharp edges, but is also strong and thick enough to apply heavy pressure without the blade breaking. We bring innovation to snap-off knives by providing unique features that users have never experienced before.

- Light-duty auto lock knife with quick point™ blades
- Durable and compact ABS body for simple storage and handling
- Enables firm and comfortable holding position, also providing excellent grip control
- Automatically holds blade in a fixed position to prevent blades from being pulled out and pushed in
- Hang hole for easy storage
- Auto lock mechanism makes the use of knife safe and convenient
